

## District Conference: “The Wisdom from Above”

Moderator  
David Stauffer

I am looking forward to District Conference on October 7-8, 2011. Friday evening will be a time of celebration with a choir made up of singers from many churches throughout the district, much congregational singing, a litany of celebration thanking God for the good that is happening in the district, and a sermon exploring the theme “The Wisdom from Above.”

The text upon which the theme is based is James 3:13-18—*Who is wise and understanding among you? Let him show it by his good life, by deeds done in the humility that comes from wisdom. But if you harbor bitter envy and selfish ambition in your hearts, do not boast about it or deny the truth. Such “wisdom” does not come down from heaven but is earthly, unspiritual, of the devil. For where you have envy and selfish ambition, there you find disorder and every evil practice. But the wisdom that comes from heaven is first of all pure; then peace-loving, considerate, submissive, full of mercy and good fruit, impartial and sincere. Peacemakers who sow in peace raise a harvest of righteousness.* (New International Version)

On Saturday, we will welcome two new fellowships and a new congregation, hear reports, affirm leaders, adopt a ministry investment plan, consider an update to the District by-laws, and consider a query on Military Chaplaincy.

**The Wisdom From Above - continued**

It is my hope and expectation that in worship, business, and fellowship, we will allow the Holy Spirit to guide us. We will demonstrate the characteristics of people living under the influence of the wisdom that comes from above. Let us strive to be kind to each other as will clarify and affirm the values we hold as disciples of Jesus Christ.

I urge you to pray for everyone who will participate in District Conference: the officers, District Board members, District staff, delegates, and all interested persons. I urge you to participate in one of the three area meetings in order to learn more about the revisions to the bylaws and the query on military chaplaincy.

### **RUN-WALK FOR PEACE**

Elizabethtown, Pennsylvania 17022

#### **RETREAD – Run For Peace**

#### **A Look Back at the History of the Race**

by Paula Burke

Lace up your sneakers and get ready for the Run/Walk for Peace! The 5K event will kick off at 8:30 a.m. at the Elizabethtown CoB on Saturday, Sept. 10. Race registration details are available at: <http://www.etowncob.org/runforpeace>.

For 20 years, the Run/Walk for Peace was a popular event organized by local churches and members within the ANE District. From 1983-1995 the race took place in Lititz, organized by members of Lititz CoB. Beginning in 1999, the race was held at E-town CoB. The last run was in 2005 and hosted at our church. Bill Puffenberger was the race director and the proceeds for the race that year were the Brethren Housing Association and the Emergency Disaster Fund for "Tsunami Relief and Recovery."

In 2004, the recipients were also BHA and EDF. That year, as in many previous years, there was great local press coverage. *The Intelligencer Journal* ran a piece describing the race, and the *Elizabethtown Merchandiser* featured a front-page story, with a picture of Randy Estep, Bill Puffenberger, and Barbara Maris. In the *Merchandiser* story, Bill cited the success of the prior 18 races. He said that in the past, more than \$40,000 had been raised, and in 2003, nearly \$7,000 was generated for the Christian Peacemaker Team and the Disaster Child Care program of the Church of the Brethren.

According to race records, for several years race participation topped 400 participants. Past runs featured other events, such as informational recreational walks for five weeks leading up to the run and pre-race day preview of the course, led by Barry Hoffer. Although this year will be a 5K only, in the past, runners were challenged by a 10K course that drew competitive runners from all age groups.

This year's race will build on the strong foundation of the years past, and the hard work of the volunteers, runners and walkers. Looking at how much we've accomplished in the past makes this year's run that much more promising!

Past beneficiaries of Run For Peace include:

Luisa Ortiz Women's Center in Nicaragua and MCC's "Yugoslav War Victim's Fund;" Brethren mission/workcamp projects in the Dominican Republic; civil war victims in El Salvador; Balkan Peacemaking Team in Kosovo; Brethren Volunteer Service; Brethren World Peace Academy in New Windsor, World Friendship Center in Japan; Heifer Project International; Brethren well-drilling projects in the Sudan; On Earth Peace; Agricultural Exchange Programs in Poland; and Habitat for Humanity.

## Sharing Things that Make for Peace

### 6th Annual Agape Satyagraha Dinner

**Friday, September 30**

**6:00 pm—8:30 pm**

**National Civil War Museum**

1 Lincoln Circle at Reservoir Park, Harrisburg

There has never been a greater cry for peace. There has never been a greater need for love in action. The Center for Disease Control and Prevention reports that in the United States, homicide is the second leading cause of death among youth ages 10–24 years. Violence is sweeping the streets and our young people are in desperate need of guidance.

We cannot be silent. We're Committed. Brethren Community Ministries (BCM) is sharing the love of Christ in these trying times. Our food distribution lines continue to grow and our Agape-Satyagraha conflict resolution program continues to reach hurting youth, ages 11-18. We've joined the community for prayer vigils, peace marches and other neighborhood efforts taking a stand against violence and promoting peace.

Join us at our **6th Annual Agape-Satyagraha Dinner** as we celebrate this commitment. The evening includes a silent auction as well as an awards ceremony for our Agape-Satyagraha graduates. We will also present our 2011 Agape Satyagraha Peace Maker Awards to key community leaders who have demonstrated commitment to the advancement of our region. Museum tours will be available that evening. Churches, businesses and individuals are needed to sponsor this event. The ticket price is \$40 each or two for \$75. Price for a table of 10 is \$375. For more information or to register, visit [brethrencommunityministries.wordpress.com](http://brethrencommunityministries.wordpress.com) or call (717) 234-0415.

**Peace on Earth. We're Committed.  
Join us on September 30.**

## Elizabethtown CoB Concert: Rodney L. Barbour

**Rodney L. Barbour**, an accomplished performer on keyboard and low brass instruments, will present a concert on the **organ** at the **Elizabethtown CoB** on **Friday, November 4, at 7:00 pm**. He holds the Bachelor of Arts Degree in Music Education and Organ Performance from Marshall University and the Master of Music Degree in Organ Performance from the University of Cincinnati.

Mr. Barbour's performance career has taken many directions. From early performances in dance bands, the **Holiday on Ice Orchestra** and the **Ringling Brothers-Barnum and Bailey Circus Band**, Rodney developed as a featured entertainer for 10 years on the Mighty Wurlitzer Organ (4 manual, 33 rank) at the **Springdale Music Palace** in Cincinnati. He currently holds the position of **Director of Worship and Arts at Crestview Presbyterian Church, West Chester, Ohio**. Rodney's performance experience in orchestras, bands, choirs and accompaniment of instrumentalists and vocalists in a wide genre of styles, combine to give him a unique understanding for midi and orchestral performance techniques at the organ.

### War is Not the Answer – 9/11 Revisited

The public is invited to gather at 5:30 p.m. on September 11, at Binns Park in downtown Lancaster to reflect on the tenth anniversary of 9/11. Binns Park is in the 100 block of N. Queen Street.

Interspersed with music by local artists, "**War is Not the Answer – 9/11 Revisited**" will feature two speakers: Celeste Zappala of Philadelphia, mother of Sherman Baker who was killed in Iraq while serving in the National Guard; and Michael Berg of VA, whose son, a telecommunications contractor, was beheaded in Iraq by insurgents soon after the horrible destruction of Fallujah by the U.S.

This is an opportunity to not only reflect on how our lives and society have been affected by the terrible events of 9/11 and our tragic response as a nation, but also to envision and pray for hopeful, peaceful tomorrows. Rather than unrelenting warfare, a return to traditional American values of the rule of law, accountability, the pursuit of peace, and the protection of civil liberties will be affirmed.

Please bring lawn chairs for seating. Metered parking is free in downtown Lancaster on Sundays but there is a charge for parking in the city's garages that day.

All are welcome to this special gathering planned by members of Lancaster area historic peace churches and sponsored by Every Church A Peace Church. A free-will offering will be taken to offset the expenses of this event. Your contribution may be tax-deductible. Checks can be made out to "Every Church A Peace Church."

Residents at Peter Becker Community

## Rediscovering Farm Charm

We don't know whether it is the earthy smell of vegetables picked earlier that day or the scent of fresh herbs wafting through the room, but we do know that residents are in favor of the decision to bring a Farmer's Market on campus.

*"Wow, peaches are fifty cents EACH? I remember when they were ten cents a pound." - Peter Becker Resident*

Besides minor sticker shock of organically grown local produce, the residents of Peter Becker Community are thoroughly enjoying the new Farmer's Market. It began its debut this spring and it is open to the public, staff and all residents. It seems to be growing in popularity each time it is held. Every two weeks Skippack Creek Farm in Harleysville creates a real bounty of offerings! They are family-owned but have plenty of organic know-how and experience in small scale farming techniques.

The endeavor is partly a community outreach project, providing support to our local farmers, and partly a resident enrichment project, offering unique experiences to expand overall health. For the residents in our health care center it is a new wholesome activity. They visit the farmer's market, explore the in-season fruit and vegetables and then choose and take with them the ones they like. They are given a voucher to use for payment. "Some of the residents haven't shopped for food in some time and they are enjoying seeing what is in season, the colors, textures and scents," explains Ginny Henderson, Director of Dining Services, "but the real joy comes when Dining Services prepares their selections at their next meal. Their faces light up."

The Farmer's Market is really great concept in the overall health of our community. Farm fresh flavorful produce will be for sale on the 2<sup>nd</sup> and 4<sup>th</sup> Thursday of the month through November. To find out more, visit our web site at [www.peterbeckercommunity.com](http://www.peterbeckercommunity.com)

### Preparation for Renovaré Conference

Registration information for the April 21, 2012 Renovaré Conference will be available at District Conference. With the mission of the District Spiritual Renewal Team to provide renewal experiences which lead to Christ-centered and Holy Spirit-empowered living for all persons and congregations, the hope for this day is to help fulfill this goal for each church. Rather than a stand-alone event, the team is working to assist churches in preparation for the conference and give follow-up ideas that could be meaningful for your church.

Our guest leaders are Kris Webb, new President of Renovaré and Anglican pastor from Wales, and Richard Foster, founder of Renovaré and author. Both leaders will have new books out by the conference. Jean Moyer has written lessons for the children on the spiritual disciplines which will be used that day.

How do we prepare for this conference? A take-away session will be offered given at District Conference on how to prepare for and follow up the conference. A district prayer emphasis will be held. Renovaré invites pastors to preach the 12 spiritual disciplines in Richard Foster's *Celebration of Discipline* which could begin in Lent. A Spiritual Disciplines Folder for daily Scripture reading will be available. On May 5 a follow-up session will be offered by the Susquehanna Valley Ministry Center at the Ephrata CoB

For more information, contact the District Spiritual Renewal Team: Ron Ludwick, John Shaffer, Joann Maurer, Mary Kay Graver, Bob Vroon, Kevin Derr, Kay Weaver, Staff Liaison, David Young, chair –[davidyoung@churchrenewalservant.org](mailto:davidyoung@churchrenewalservant.org)
