2012 DISTRICT CONFERENCE

October 12-13

The theme for this year's conference is "Made Alive in Christ" taken from Ephesians 2:4-8. The logo represents the gift of grace from our heavenly Father, freely given to us, but needing to be received by us. As I personally progress in my walk with God, the emphasis of His grace becomes more real to me. I seem to become more aware of my sinful nature and how undeserving I am of His mercy. We've all fallen short of the glory of God, and yet, He continues to favor us with the gift of grace. WOW.

Robert Wintsch, Moderator

But because of His great love for us, God, who is rich in mercy, made us alive with Christ even when we were dead in transgressions—it is by grace you have been saved. And God raised us up with Christ and seated us with Him in the heavenly realms in Christ Jesus, in order that in the coming ages He might show the incomparable riches of his grace, expressed in His kindness to us in Christ Jesus. For it is by grace you have been saved, through faith—and this is not from yourselves, it is the gift of God.

Ideas from the District Nurture Commission

In 2011, the Nurture Commission began seeking feedback from pastors across the ANE District regarding satisfaction in ministry, congregational support, and general well-being. The results both blessed and concerned us as we heard from pastors in a variety of situations. As a result of what we learned, the Nurture Commission worked to understand better ways for congregations to support pastors. This year one of our goals is to provide creative ideas on being a supportive congregation. We truly believe that pastors who feel loved and cared for by their congregation are better positioned to bless congregations and move forward the work of God's Kingdom. So here are two ideas to try in the coming months:

- ◆ Coordinate a way for all congregants to individually express appreciation. One congregation created a "Tree of Thanks" with notes in the shape of fruit that individual families used to share things they appreciated about their pastor. Share the "fruits" from this tree as a surprise in a service. This church received dozens of notes that have been treasured by the pastor ever since.
- ◆ Another great way to encourage a pastor is to expand their library. Pastors are often readers. Consider what your pastor likes to read—fiction, history, resources. It may be that they would be blessed by a book unrelated to ministry, something that will provide an opportunity to retreat from ministerial pressures and learning. Consider their technological capabilities. There are electronic copies of commentaries that can be purchased inexpensively and save your pastor space. If you don't know what your pastor enjoys reading, purchase a gift certificate and let them choose.

Whether it's one of these ideas or some other creative expression, find a way to share how you feel!

A SPECIAL SOUTH CENTRAL PA DISASTER RESPONSE REPORT

This report comes to you on behalf of the Brethren Disaster Ministries PA Flooding Response Team. The purpose of this report is to keep you informed and updated with the efforts that are being made to begin a Brethren Disaster Ministries (BDM) project in South Central PA in response to the effects of hurricane Irene and tropical storm Lee this past autumn.

We currently have BDM representation sitting on the Long-Term Recovery Groups (LTRGs) of York, Lancaster, and Lebanon Counties. They each have reported to us that they are contacting and interviewing those that have applied for FEMA funds. Case-management is taking place with some of the applicants. The LTRGs are still in the process of soliciting funds so that recovery work - and the need for volunteers - can begin.

All of the work that needs to be done at the local level before BDM can have a site up and running takes a considerable amount of time; therefore, we appreciate your patience. We are all anxious to help our neighbors get back on their feet as soon as possible.

We would appreciate your help as we prepare for a potential need for volunteers to help in this recovery effort. We are seeking any volunteers willing and available to help rebuild. We're especially looking for those interested in being crew leaders. If you're interested or want more information, talk to your Congregational Disaster Response Coordinator or contact our District Disaster Response Trip Coordinator, Bob Eisemann at 717-203-7270 or rgeisemann@gmail.com. Bob has the required forms to be completed by each volunteer. Thank you for your interest in this recovery effort.

Youth & Young Adults

The Junior High Lock In held March 2-3 was a night full of activity! First we had Jeff Raught perform some songs, then there was swimming, food, basketball, volleyball, dodgeball, kickball, football, ultimate, walleyball, art in the lobby, movies...it makes me tired all over again just thinking about it!

For the **Senior High All-Nighter** on March 16-17, we met at Skippack church and had a little time to play and eat some snacks before we were off to glow bowling. After a couple hours at the bowling alley it was back to the church for some gym time, card games, ping pong and eventually a movie. Had a little bit of breakfast and then we were off to our homes!

Doris (left) and Pat

From the District Director of Witness and Outreach ~ Pat Horst

"For I was hungry and you gave me something to eat. I was thirsty and you gave me something to drink. I was a stranger and you invited me in. I needed clothes and you clothed me. I was sick and you looked after me. I was in prison and you came to visit me" (Matthew 9:35-36).

Recently I attended a Non-Governmental Organization [NGO] forum held in conjunction with meetings also held within the United Nations. I attended these gatherings in response to an invitation extended by Doris Abdullah, a member of Brooklyn First CoB who also serves within On Earth Peace, and as a representative to the United Nations for the CoB. This year's NGO/CSW emphasis for the two-week series of discussions was Empowering Rural Women. Rural women throughout the world assembled together to discuss and work toward policies and their enforcement of many areas including scarcity of water, decreasing viable farmlands, lack of education for women and girls, funding for entrepreneurial enterprises for indigenous women, and trafficking of women and girls.

The focus for this year's forum dealt with the needs of rural women, the struggles of women in remote areas of the world as well as indigenous and rural peoples in our own land. These issues have global and moral ramifications. What is our response to the deep needs throughout the world? How is Christ inviting us to bring His peace and hope into these global issues? How do we come alongside of the disenfranchised; how do we empower them to move forward?

Surely many needs abound within our world. Dennis Garrison, pastor of Spring Creek CoB, preached on the story of Bartimaeus, the blind beggar healed by Jesus. Dennis gave us this challenge, "We need to see ourselves both as the blind man in need of God's saving grace and as members of the crowd who need to see the blind man in a new and different way." How true! How do you "see" yourself in the big picture of the many needs within our world? Do you see yourself as the blind man in need of God's healing grace or someone taking a new look at the needs of the "blind man and woman" within our world?

Question to ponder... How is God leading you to respond to myriad needs within our world?

2012 MINISTRY INVESTMENT PLAN

A brief story of how we spend our money.

All 79 congregations, fellowships, and projects of the Atlantic Northeast District (ANE) of the Church of the Brethren are asked to support the ministries of the district. At District Conference, the conference delegates approve a "line-item" Ministry Investment Plan as our spending guide for the upcoming year.

The following narrative explains the Ministry Investment Plan as it relates to the core ministries of ANE. The total shown in each ministry reflects costs related to the respective Ministry Director and proportionate costs related to Support staff and District Executive. Also shown is the percentage of each ministry's cost to the total 2012 Ministry Investment Plan.

20%	Pastoral/Congregational Ministries	\$128,795
	Pastoral and congregational ministries provide assistance for ministerial leadership including Readiness for Ministry, pastoral placement and search committee efforts, ministerial training, continuing education events, consultation services for pastors and lay leadership, financial aid for ministerial study, and fiscal support for Susquehanna Valley Ministry Center.	
12%	Stewardship Ministries	\$ 75,602
	Stewardship ministries provide for stewardship promotion, congregational and individual stewardship resources, and maintenance costs for District owned properties.	
12%	Nurture, Youth, and Young Adult Ministries	\$ 76,381
	Nurture and Leadership Development ministries provide for District sponsored Jr. High, Sr. High, and Young Adult ministries, Leadership Development resources, and Ministry Forums and Leadership Workshops.	
26%	Witness and Outreach Ministries	\$162,994
	Witness and Outreach ministries provide Peace and Social Justice resources, outreach programs and resources, volunteers and funding for Disaster Response, and support for Family Life Centers and Urban ministries in Harrisburg, Lancaster, New York, and Philadelphia.	
19%	Church Development, Revitalization, and Evangelism Ministries	\$122,015
	Church Development and Revitalization ministries provide support for planting and developing new congregations and the revitalization of small, struggling congregations. These ministries are also supported by income earned from congregations contributing \$5 per active attendee to the Seeds of Faith Fund.	
11%	General Operating and Administrative Ministries	\$ 67,110
	General Operating and Administrative ministries include costs for District insurance, auditors, accountants, treasurer, office building maintenance and utilities, Historical Committee, Spiritual Renewal Team, and dues for Annual Conference and PA Council of Churches.	

2012 TOTAL ANE MINISTRY INVESTMENT PLAN \$632,897

The undergirding of this District Ministry Investment Plan is made possible only through the generosity and financial support of ANE members and congregations.

History of the Lampeter Church of the Brethren (1978 - 2010), was written by Earl K. Ziegler and published in 2011. More information will be available soon at www.brethren.org/missionalive2012.

Peacefully. Simply. Together.

Annual Conference 2012

It will not be long before Annual Conference will be here. I hope you are making plans to gather with the Brethren in St. Louis from July 7-11, as we consider how we can "Continue the Work of Jesus" in our day.

There are numerous ways that we can be prepared for Annual Conference. There are several in particular that I would like to share with you.

First, join the Annual Conference Officers in prayer, each Wednesday morning from 8:00 – 8:15 a.m. (local time). There is a prayer guide available on the Annual Conference website that you may use. Please feel free to share these in your congregations as well.

Second, there are several video blogs available on the Annual Conference website; these take short looks at items related to the 2012 Annual Conference. Feel free to view these, and share them in your congregations as well. Be sure to check back often for new video blogs to come.

Third, would you discuss the following questions with your congregations, and share your answers with the Moderator (moderator@brethren.org)?

1. How is your congregation *Continuing the Work of Jesus* in your local community?
2. How is your congregation being changed by that ministry?
3. In what ways can the Annual Conference help you do that more effectively?

Thank you for joining in this important shared work of the Church of the Brethren.

2012 Annual Conference Moderator
