## ANE District Executive, Craig Smith Announces Retirement

Atlantic Northeast District Executive Craig Smith has announced his retirement, effective December 31. While full duties as District Executive will conclude at the end of the year, Craig will serve a semi-sabbatical through March 31, 2017, consulting with district staff, and working with the transition team to assist the district with a smooth leadership transition.

Craig has served as District Executive for 19 years. An emphasis on new church planting and the welcoming of ethnically diverse congregations into the District has marked Craig's tenure. He has encouraged support for international mission efforts of the denomination as well, in

cooperation with the variety of mission-minded Brethren groups present in our District. Craig has also been a leader in the Council of District Executives.

Under Craig's leadership, district staff has grown significantly. The district started a new staffing model in 2003 to call out and employ gift-based and passion-driven Ministry Directors. The district staff now number 8 people, including Craig.

In his retirement letter, Craig said, "I come to this season of life with a mixture of sadness, joy, expectation, and profound thankfulness. It has been (and is) my distinct pleasure to have served as District Executive in the most varied, ethnically rich, geographically

wide-ranging, theologically diverse, and volunteer blessed districts in the entire Church of the Brethren. My 19 years among you has enriched my life and ministry immeasurably."

"I know I speak for all my brothers and sisters in the district and denomination when I say how grateful I am for Craig's commitment to Christ and all the ways he has faithfully served the Church for so many years," Pete Kontra, District Board Chair, stated in a letter. "And so for that we give praise to God, yet will most certainly miss Craig's presence and leadership. I ask you to join with me in praying for Craig and Vicki during this time of transition in their lives as we express our love and support for them in the days ahead."

Craig Smith, District Executive, announces retirement.

### Seven Questions to Advance Your Church

1. What's happening in your church right now?
2. What are you learning from what's happening? (See #1)
3. What will you do with this learning? (See #1 & #2)
4. Who lead the appropriate action?
5. Who will hold leadership accountable for the need action?
6. Who can help you?
7. What do you want to be able to say about your church at the end of this process?

*Asking better questions leads to healthier solutions; and healthier solutions lead to a clearer vision; and a clearer vision leads to a brighter future; and a bright future is God's energy for today and ray of hope for tomorrow.*

### Shift Thinking

The following are considerations to navigate culture and shift thinking to impact this present generation. Let's turn the tables on a culture of *stuck-ness* in the church and create a culture of meaningful tradition mingled with a bright-eyed, eager-spirited, God-alive wonder!

- Face your reality.
- Face your context.
- Face your challenges.
- Face your opportunities.
- Kick fear in the face and go make a Kingdom difference!

Scripture Points:

*Yep! I do this. I'm trying to find common ground with everyone – anyone who will listen, anyone who is open, anyone who will give me the time of day, anyone who needs a friend, anyone who desires a splash of joy, anyone who longs for a second or third chance – so "the willing" will reach out to Jesus and be pulled to safety. I do this for the Gospel's sake, that I might be an ALL IN Partner in the Good News.*

– 1 Corinthians 9:22b -23 (CPV – **Craig's Paraphrase Version**)

**ANE's Ministry Emphasis:** Be an ALL IN Church. Be ... Going. Glowing. Growing. Godly. 2016 is the year for GOING! **Going** is the first word of our 3-year emphasis; so, we have designated 2016 *The Year of Going!* Let's get Going. Let's do this! Let's be the church we are created to be.

## Mountville COB Has Heard the Call, and is GOING!

By Marian Bollinger

WITNESS &  
OUTREACH

We would be happy to hear your stories of "Going OUT" as well. Please send them to Mary Etta Reinhart, Director of Witness and Outreach at [mreinhardt@ane-cob.org](mailto:mreinhardt@ane-cob.org).

### AT MOUNTVILLE COB, WE ARE GOING...

To a personal care home in Mountville to minister to residents each month. We plan a time of devotions, a time for conversation with them while sitting around tables, some entertainment, and we end the evening by serving the residents a homemade dessert.

To a homeless shelter in Columbia, PA: taking an evening meal and providing adult supervision through the night.

To wherever disaster strikes. In March, our church assembled 300 hygiene kits for CWS. The kits go to areas of the US or around the world; wherever brothers and sisters are lacking basic personal care items such as a hand towel, wash cloth, soap, comb, tooth brush, nail clippers, or band aids.

To North Carolina to volunteer a week of time with Brethren Disaster Ministries, building and painting after a natural calamity. We also packed 15 clean up buckets to send with the volunteers who go to these work sites.

To where children living in poverty lack basic school supplies. After cutting and sewing 300 bags, we filled them with school supplies, and our children laid hands on them as our pastor dedicated them with a prayer that each bag would make a difference in a child's life.

To Nigeria where children are traumatized. This year, we sent 20 handsewn dolls to EYN, the COB in Nigeria, to be used by trained persons leading trauma healing sessions for children. Our children laid hands on the dolls, and we prayed that these dolls would bring hope to those in Nigeria.

We at Mountville, only wish we could help more because the needs are so great. The list of organizations that call on us for financial help gets longer each year. Unfortunately, we can't go everywhere, and we can't support every organization that is doing "good", because we have limited time and limited resources. So we must be selective. We choose to financially support the ministries of the ANE District, and also those of the Denomination. We support Alpha & Omega Community Center in Lancaster, Brethren Housing Association in Harrisburg, Brethren Village, Camp Swatara, COBYS, Global Food Crisis Fun, Haiti Medical Clinics and the Nigeria Crisis Fund.

These trustworthy groups are depending on us, and at Mountville, we want to be a part of the advancing their work. Won't you join us in supporting the ANE District and its many life giving ministries? When we work together for the glory of God and our neighbors' good, it's amazing what we can accomplish.

Mountville assembles hygiene kits for CWS.

To Harrisburg, delivering needed supplies to the Brethren Housing Association so that they can continue to minister to single mothers and children and make a positive difference on Hummel Street.

## WITNESS & OUTREACH

For more information about the ANE District Barnabas Fund check out the "Our Ministries" section of the ANE District website at [ane-cob.org](http://ane-cob.org).

## Barnabas Fund Update: Germantown

The Barnabas Fund Team met in early May to determine 2017 funding, based on requests received from ANE district churches. Alpha & Omega, Brooklyn First, Germantown, and Harrisburg First were all offered funding for 2017 contingent upon approval of the 2017 Ministry Investment Plan from the ANE District Board and the upcoming ANE District Conference.

As those requests for funding were reviewed, we were able to learn more about the outreach ministries of our urban congregations. For example, the R.I.S.E. reading program is an important part of the outreach ministry of the Germantown Church of the Brethren. Pastor Richard Kyerematen has shared the following

information with us about this exciting community outreach ministry of this congregation:

*"The Reading Incentives for Supplemental Education (R.I.S.E.) program is a collaborative, community-based reading skills development program offered in partnership currently with the Emlen and Albert Gideon Elementary Schools and Education Works—a nationally recognized afterschool services provider. The mission of the R.I.S.E. program is to help children and their families build and measurably improve their reading and language arts competencies and apply those skills to other subject area and general life activities."*

A brochure for this program includes the

following comments: "I loved the silent reading time and writing scripts for our own commercials. I also liked that we didn't just read. We did a lot of fun activities." - 4th grade student

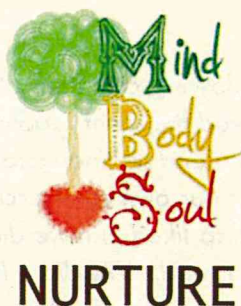

*"The reading program on Saturdays has helped my son immensely in school."*  
- Emlen Elementary School Parent

The Germantown COB is being supported by the ANE District Barnabas Fund with a \$23,000 grant in 2016. This is just one more way that our ANE District congregations are able to work together to enable congregations with identifiable needs to more productively offer successful outreach and evangelism ministries in their communities.

The Atlantic Northeast District Commission on Nurture and Christian Education will continue its emphasis on lay leadership training with a seminar on church finances from 10 until 11:30 a.m. Saturday, October 22.

We are blessed to have Dan Ensinger from the East Cocalico Church of the Brethren lead the seminar. Participants may come to the District

Office in Elizabethtown for the event, but there will also be remote sites around the district to lessen the travel burden for those wishing to attend.

The workshop is specifically targeted for those who volunteer as church treasurers and financial secretaries, but anyone is welcome to attend. Cost is \$10 per congregation, no matter how many people from the church

attend.

If your congregation has access to high-speed internet, a computer, projector and screen, and would like to volunteer to host a remote location, please contact the district office as soon as possible.

Registration will soon open. The deadline for registering for this event is Sept. 30.

Germantown Church of the Brethren, will be one of the events on the historical bus trip scheduled for the same day.

## Peace Day 2016— How are you called to build peace?

On Earth Peace invites churches, peacebuilders, and seekers of justice to participate in Peace Day 2016. Plan a prayer service or community action event and reflect on how you and your community are called to build peace during the week surrounding September 21, 2016.

We are all called to build peace in unique and transformative ways. Some are called to resist and undo racism, some to pray

without ceasing, others to heal God's creation, and others to stop war.

Some are called to build peace in their neighborhood, in their church congregation, in their local community, or somewhere across the world.

This Peace Day we invite you to follow God's call to wherever you and your church community can build peace together to God's glory and your neighbor's good.
