The Atlantic Northeast District is once again forming a District Choir for this year's conference. Brothers and Sisters from all over the District are invited to praise the Lord with their voices! The choir will sing during the Friday evening worship service. Laura Meiser and Jennifer Hinton will serve as the Choir Director and Accompanist for the choir. The group will sing historical hymns to commemorate the first Atlantic Northeast District Conference and lead special music for the worship service. Members from all the District churches are invited to participate in this very special event. The deadline to register is August 25.
