KIT OF COMFORT

The Kit of Comfort is a suitcase full of therapeutic play activities for kids of all ages, that is carried to disasters by trained CDS volunteers. All items need to be relatively small, durable, washable, and easy to transport. It is much more helpful to have a few high quality toys than many toys that do not withstand heavy use. All toys must be cleaned daily so having dolls/stuffed toys that can be cleaned with bleach or a similar cleaner is important.

Atlantic Northeast District Conference Offering & Service Project

KIT OF COMFORT SUPPLIES

Our Friday night Worship Service offering will be donated to Children's Disaster Services, and individuals/congregations may donate items to be included in the Kits on Friday & Saturday
