

Some of us youth leaders from around the ANE District have a goal to help support and encourage each other in our shared mission of **Making Disciples.**

We want to build a network of all sorts of youth leaders who are working to develop the faith filled followers of Christ in this emerging generation.

Prayer support, help with ideas for events, place to share questions and concerns in ministry, share knowledge about curriculum, and pulling regional groups together for events – all of this and more are possible –

AND WE NEED YOU TO JOIN IN
