

THE WAY FORWARD LOGO

The graphic identity for the ANE District “Way Forward “Process was adopted to help individuals and congregations relate to this important work and embrace the principles set forth.

The arrows in the foreground signify the direction that we are aiming to achieve which is forward and upward, “seeking the mind of Christ”. The cross is symbolic of Christ and His atoning sacrifice for our forgiveness and remission of sin. It is a reminder that we are His disciples.

The circle represents The continuous evolving of the body of Christ through the movement of the Holy Spirit. The circle has no beginning and no ending; it symbolizes inspiration to keep us going and remaining in unity with one another.

This expressive logo was developed by Odette Rodriguez of the Nuevo Renacer Fellowship.

The logo interpretation is approved by the developer.
