A Note for You...

CHANGE and GROWTH

And no one pours new wine into old wineskins. Otherwise, the new wine will burst the skins; the wine will run out and the wineskins will be ruined. No, new wine must be poured into new wineskins. (Luke 5:37-38)

Within the last 2 years many have said, "I can't wait to get back to normal." Now we are once again gathering in person. But it is different.

CHANGE - There are more empty pews in the church because people love worshipping and connecting online. Contributions may be down. Some ANE congregations chose to leave the denomination.

Changes can be frustrating to the extent that we get very discouraged. **WAKE UP CHURCH!** For too long we were content with status quo and now we are being forced to think creatively and move forward.

In *Stepping Stones of the Steward*, Ron Vallet suggests our faith is to be dynamic because the journey of a Christian Steward never reaches an end and the church as steward is called to be on the move."

As Director of Stewardship it is exciting to experience ANE District Board members choosing to commit to a Way Forward. ANE is moving forward by:

- Providing online, district-wide Bible studies
- Hiring a Church Video Streaming Specialist to provide resources and assist congregations with AV equipment needs
- Connecting our Hispanic and Urban ministries through the Urban Ministry Initiative
- Providing support through our Facilities Assistance Fund for all our ANE congregations
- Providing support through Seeds of Faith for Leadership Development, new ministries, church planting and rebirth
- Providing funding for Urban congregations through the Barnabas Fund
- And many more

Growth – None of these ministries can continue without commitment and financial support from every ANE congregation. Thanks to all congregations who have committed to giving to ANE's Ministry Investment Plan and thanks to the congregations who, in addition to giving to the MIP, have also contributed to the Barnabas Fund. To those that have not contributed please consider that just \$1 per month per attendee can make a significant difference. As Christ's stewards, let us work together in growing ANE ministries.

LET'S START POURING NEW WINE INTO NEW WINESKINS!

ANE DISTRICT CONFERENCE • OCTOBER 7 & 8, 2022

Engage in District Conference

John Hostetter
Moderator

When was the last time you were so completely engaged and absorbed in a meeting that all of a sudden you looked at your watch and said, "I can't believe it...two hours couldn't have passed that quickly!" Yes, you probably would respond, very rarely.

However, District Conference is intended to be one of those kind of gatherings. Each aspect of the Conference is intended to engage you. But it also means that each delegate and participant needs to be willing to expend some mental and emotional energy to both prepare beforehand and to actively engage during the conference.

It is summer, and probably for many, there is little thought about District Conference. It is months away. It is our hope though, through the District Newsletter Articles and the twice-a-month Delegate Newsletter that is prepared and emailed to delegates, to both build anticipation and to encourage preparation beforehand. (If you are a delegate and aren't on the email list, please email the District Office.)

Here are a couple of things to anticipate. Conference activities begins with an online **Bible Study, Thursday, October 6, 7:00pm-8:00pm**. The study will be led by Lexi Aligarbes, Harrisburg First Church of the Brethren. The focus of the study will be from Ephesians 4 and built around the Conference Theme. Here is the invitation: Join with others throughout the District around the Word. Engage your heart and mind as together we pursue the call of discipleship to live in deep community with one another.

This year after lunch, at the beginning of the Business Session, there will be a designated period to raise questions. In contrast to what may be too common in culture, the lack of

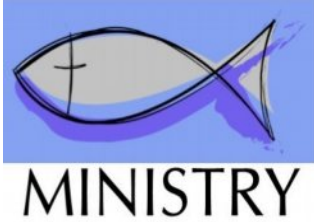

transparency, District Executive, Pete Kontra and General Secretary, David Steele, along with other District leadership have made themselves available to receive your questions about ministry, mission, agendas, focus, etc. As together we seek to implement "The Way Forward," it is important that transparency and trust be a key aspect of that endeavor. Here is the invitation: Engage your mind and bring your thoughtful, and even your troubling questions to conference. Or you may submit your questions early. There will be means provided through the website, email or even mail. Engage your trust and receive our leader's genuine responses.

In upcoming articles you will have occasion to read about the other opportunities to come prepared and engage. The Friday night worship at the Ephrata Church of the Brethren with David Steele as our guest speaker, the time designated for reports, the action items, the lunch-time insight sessions are opportunities to engage your heart and mind. In the meantime, to learn more and to help you prepare, visit the Atlantic Northeast District Conference Web-site. Please continue to pray for the conference that God might use our gathered time of working together to build up in love the body of the Atlantic Northeast District (Eph.4:15-16).

In Memoriam

Paul H. Boll passed away on Friday, April 29, 2022. He finished his secondary education at Messiah Academy and earned a Bachelor of Arts degree in business management from Bridgewater College. He also attended Bethany Theological Seminary in preparation for pastoral ministry. Paul served the Shippensburg Church of the Brethren and Quakertown COB, both in Pennsylvania, in addition to Brethren congregations in West Virginia, Virginia, and Maryland. He was employed as assistant administrator by Peter Becker Community in Harleysville prior to accepting the position of administrator at Lebanon Valley Brethren Home in Palmyra (now Londonderry Village) in 1979. In 2011 he was recognized by the Church of the Brethren for 50 years of ordination.

Philip E. Norris, died peacefully on Monday, May 2, 2022 at Brethren Village. Born in Sweden, he was the son of the late Reverend Glen E. and Lois Detweiler Norris who were serving as missionaries for the Church of the Brethren. Phil attended Juniata College, where he majored in Bible and Philosophy, followed by Bethany Theological Seminary in Chicago. After serving two years as Assistant Pastor in Hagerstown, MD, he became pastor of the University Park Church of the Brethren, just outside Washington, DC and the

Prince of Peace Church of the Brethren, Denver, CO. Wherever Phil served, he was deeply involved with ecumenical organizations as well as denominational endeavors, both district and national, including being a Trustee of Bethany Theological Seminary. He was a member of the Lititz Church of the Brethren.

Donna Steiner of Brethren Village, passed away on Sunday, May 8, 2022, at her residence. Donna graduated with a Bachelor in Music Education from Drake University in 1959 and a Master of Religious Education from Bethany Theological Seminary in 1974. She was ordained to ministry in 1974. Prior to her seminary

education, she volunteered two years with Brethren Volunteer Service in Nigeria, West Africa. Donna began her 50 plus years of ministry in Palmyra, serving pastorates in Illinois, Maryland (including co-pastoring with Paul) and Pennsylvania, including several short-term interims and as Associate Executive for Atlantic Northeast District (1997-2002). From 2008-2012 she worked with Elizabethtown College as Director of Church Relations.

In addition to pastoral ministry, Donna served on local, district and denominational boards and committees as well as providing leadership for congregations, educational workshops and women's retreats. She was a talented musician and played piano and organ. She was a devoted member of the Elizabethtown Church of the Brethren.

Outreach Update

Emma, a 7-year-old girl with a mercy heart, called Pastor Brian Messler at 7am one Saturday morning to share her heart for making hygiene kits for those that are homeless in downtown Ephrata. From there, our Missions Coordinator met with Emma and 2 other girls, Elizabeth and Summer who also attend ECOB, to get an idea of what these hygiene kits should include. They had excellent ideas including making feminine hygiene bags as well! This was a fantastic idea as these products can be costly and many homeless or low-income families struggle to purchase these items regularly. The girls unanimously agreed that the name of all these kits would be "Care Kits".

The group decided to put a bar of soap, toothbrush, toothpaste, a washcloth, comb, 10 band aids, and deodorant in the bags. We added lotion and Neosporin to the bags as well. They planned to make Men's, Women's, and Children's hygiene kits and have them available to those that would come to City Gate- Ephrata when our church would be serving lunch to those in the community.

Signup sheets were created, and our congregation happily signed up and donated everything that was needed for this project. The goal was 50 men's bags, 50 women's bags and 20 kid's bags. 50 feminine hygiene bags were also made by the missions coordinator and put into opaque bags for discretion.

All the donated items were then separated and set out on tables in the room where the kids meet for church. Those that attend kids church, kindergarten through 4th grade, assembled the bags with the assistance of some adults and a few from our youth group.

The kits were taken downtown on February 27th and were available for anyone to take that needed them. Those that came through the line were delighted and grateful for these bags. Some also took a bag for a neighbor who they felt could use one. Emma, Elizabeth and 2 other girls in our ECOB students group helped to serve downtown that day.

ECOB will be providing lunches in downtown Ephrata on 4 other dates in 2022 and will be taking these "Care Kits" along to share.

It is encouraging to see these kids being outward focused and leading the congregation with this missions project. ECOB's kids are being Jesus in the neighborhood and we pray that they will continue to be and bring others along side of them. People often say that our kids are the church of the future but our children are actually the church of today.

Children's Disaster Service Training Workshop at Lititz Church of the Brethren

Lititz Church of the Brethren hosted a Children's Disaster Services Volunteer Workshop on May 13 and 14, 2022. Thirteen persons from Central PA, Maryland and New Jersey participated in the training. Trainers were from Virginia and Michigan.

Thirty volunteers from the church helped with promoting the event, setting up the training room and AV equipment, providing food and serving meals and registering the Child Care Giver candidates. The Central PA Chapter of the American Red Cross provided cots so participants could experience a shelter-like situation. The candidates completed the training and are now in the decision-making process of becoming certified Disaster Child Care Givers.

ANE DISTRICT OLDER ADULTS SPRING LUNCHEON

The ANE District Older Adults (formerly known as the 55+ Older Adults) gathered at Yoder's Restaurant in New Holland, PA on May 11, 2022 for the Annual Spring Luncheon. There were 56 in attendance. It was good to be together as a group after the past two years of being unable to gather because of COVID-19. The food was delicious!

We were entertained by Mr. Terry Gehman, a very talented keyboardist who is local to our area. We enjoyed selections of gospel, country, hymns, and folk music.

Mr. Sam Frankhouser, Chairperson of the District Older Adults Committee, welcomed everyone to the luncheon and thanked them for attending. He shared that he hopes we see more in attendance in 2023.

Members of the ANE District Older Adults Committee are: Sam Frankhouser, Chairperson; Pat Bub, Mary Eller, Judy Menszak, Mary Etta Reinhart and Karen Hackett. If you are interested in serving on the

Committee, please contact Karen Hackett at knk821@comcast.net.

We will be planning an event for the Fall. More details to come!

KENTUCKY TORNADO REBUILDING

BDM will be accepting volunteers for a short-term response to help rebuild homes in the small towns of Dawson Springs and Bremen that were hit by catastrophic tornadoes on December 10th, 2021.

Inhabit Conference Reflections 2022

The COB Discipleship Ministries and Office of Ministry sponsored this event held in April at the Seattle Pacific School of Theology and Psychology in Seattle WA. Several Districts, pastors and church leaders attended. Twenty-two COB attendees (5 from ANE) joined approximately 300 people representing various Christian Communities from the US and Canada. All were captivated by energetic worship experiences, and informative breakout sessions.

Youth Update:

9 Square in the Air Tournament

Youth Ministries in the district were invited to a NEW youth event held Sunday, May 22. The group joined together to play "9- Square-in-the-air." The event was a first attempt at tournament play of the game. Teams registered from 6 different congregations and 42 attended the day at the Lititz COB.

The game, "9-Square-in-the-air," has been around for at least 12 years and began in youth ministry (or so the story goes from the company who produces the equipment). The game has been played at both National Youth Conference and during Jr High Conferences in Elizabethtown. 9-Square is a combination of volleyball and 4 square. Most of the participants had never played the game before but successfully learned in the first 30 minutes of the event.

The "court" uses a PVC pole structure creating 9 raised squares for players to stand inside. Two courts were used, one for practice and the other for competing for the highest score. Along with the score on the court, teams had the opportunity to add to their score by correctly answering Bible trivia questions during each round of games. Team scores were accumulated in three rounds of play. Three teams of three players competed in each round of matches. Pizza and snacks were provided by the district.

A team from Mt. Wilson won for the highest score in play and a team from the Lititz COB won for the highest score with trivia points added. Thanks to Youth Leaders, Linda Byers (Lancaster COB) and Ken Trovinger (Lititz COB) for coordinating and organizing the event. Anyone interested in hosting a similar event or to learn more about a 9-Square-in-the-air Tournament can contact Linda Byers. (Lancob.youth@comcast.net)

Church2Church: Reaching out to share with a church in need

When Un Nuevo Renacer, a Spanish speaking church in the ANE District, faced a significant challenge in recent months, Pastor Carolina Izquierdo reached out to the ANE District to share their dilemma and found a solution for their need.

Un Nuevo Renacer has a significant number of young people who are a part of their fellowship. Thirteen of those youth and 3 advisors were hoping to attend National Youth Conference which will take place this summer July 23 -28 in Fort Collins Colorado. But covering the expenses of travelling to and attending this event was a problem for this group. This is a young church with young families who have limited financial resources. The youth successfully worked together to raise some money with a very successful bake sale at Mountville church and were able to raise \$600.00. But the expenses for 16 people to travel to Fort Collins, CO were much greater than the money they were able to raise.

The good news is that other congregations in the ANE district were willing and able to provide the necessary financial resources needed to allow all the 16 participants to register and to purchase airfare for National Youth Conference. Mountville Church of the Brethren, who are generously sharing their building with Un Nuevo Renacer, provided some financial support as well as love and care for this youth group. In addition, both

Lancaster Church of the Brethren as well as Lititz Church of the Brethren agreed to help financially! Thanks to the team efforts of these other ANE congregations, all the youth and adults who were hoping to attend NYC have now been able to register and purchase airfare to attend in July.

Church 2 Church is a “community building” ministry outreach opportunity that allows churches with needs to partner with churches who are interested in a service project.

Women's Fellowship

Women's Camp 2022

The Women's Cabinet and Fellowship has been busy planning Women's Camp which will be held this year on Friday, August 19 through Saturday, August 20, 2022 at Camp Swatara.

We are excited to share that at this time we are planning on an overnight event. Our speaker this year is Jeanne Davies, the Executive Director of the Anabaptist Disabilities Network. The theme is “An Invitation to the Table”.

Registration will begin Friday afternoon at 4 p.m. On Friday evening there will be a Hymn Sing, a message from our Speaker and a Campfire. Saturday there will be two messages from our Speaker, crafts, swimming, a Bible Study, Hiking, and other activities. More information and Registration Dates will be coming soon. Women's Camp is always a wonderful time of fellowship, worship and fun! We hope to see you there!

The Church: Alive to Thrive

Ephrata Church of the Brethren was the gracious host for a gathering of ethnically and culturally diverse churches who gathered on Saturday May 14 for a day of worship and fellowship.

Testimonies were shared by representatives of several ANE churches who shared how God is moving in their church families. Carolina Izquierdo reminded those in attendance of the importance of waiting on God. Eric Ramirez shared the importance of using technology to reach out to the world outside their church to offer opportunities to worship.

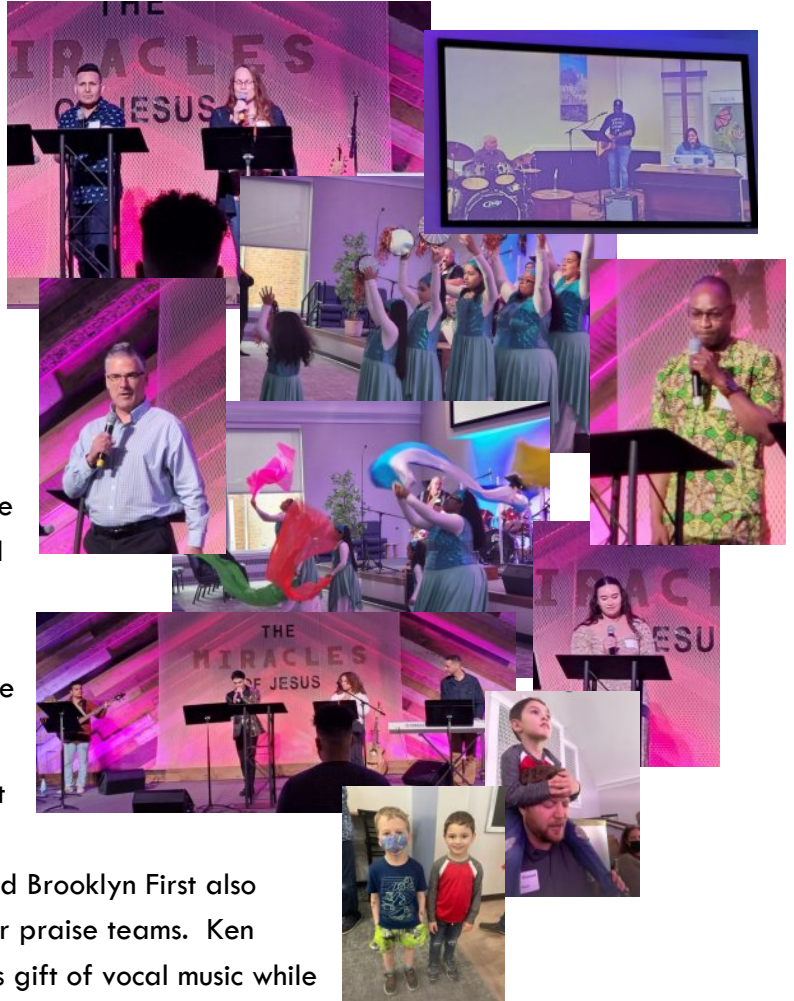

Sam West from Brooklyn First described how their church is moving forward in the midst of formidable challenges. Franklin Iyasere told his story that God is still calling out pastors and leaders to serve our church families. Ever Sandoval from Alpha and Omega encouraged all in attendance to go outside their church walls and pray for revival.

Music for this event was offered by an ANE District praise team organized by Janet Myers, pastor at Paxton Church of the Brethren. Harrisburg First and Brooklyn First also shared praise music via video recordings from their praise teams. Ken Beauchamp Droz from Nuevo Amanecer shared his gift of vocal music while the liturgical dance group from Nuevo Amanecer offered the gift of dance for this time of worship.

Lexi Aligarbes, co-pastor at Harrisburg First, closed the day's activities with a message reminding all in attendance that our God is a creative God. The Word of God begins in Genesis with God creating the heavens and the earth and in Revelation when God tells us he will create a new heaven and earth.

This entire day was a marvelous celebration of our creative and all-powerful God who is at work in so many ways in all our churches in the ANE District and around the world.

Editor's Note: Please join Lexi Aligarbes on October 6 as she leads a District wide Bible study the Thursday prior to District Conference. All are welcome. Details and links to the online study are available on our website.

Brethren Disaster Ministries Trip- Coventry Church of the Brethren: May 28-June 5

With great enthusiasm and energy, a group of 15 volunteers gathered in a circle to be protected in prayer by Pastor Mark Muthler. We piled into 2 vans, with snack provisions for the trip. Our group age ranged between 14 and 76 with a strong contingent of youth. Thus, we embarked on a two day trip to our destination on the other side of Nashville, Tennessee staying overnight in the awe inspiring and magnificent mountainous creation of God: Salem - Virginia. Here we were well nourished and sheltered by the loving generosity of 2 host families (and the same on our return trip).

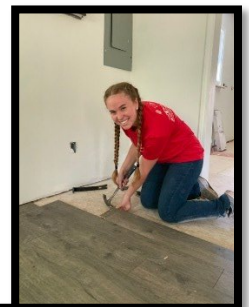

What a blessing to be greeted in Waverly at the Presbyterian Church by our friend, sister in Christ, and member of our own church – Lynn Evans. With temperatures of each person measured and whistles wet, we settled into the softest beds ever imaginable on a sleep away trip. Monday morning started us out in 3 vehicles to 3 different work-sites. On a street with the same name as our home-owner, one group was blessed by our efforts of spackling, painting, and floor laying. This home provided the group with a luxury “porta potty” (AC, music, lights indicating occupation, and a 1500 Gallon water tank, the likes that was the envy of others). But better still, we had the privilege of sitting under a tree next to the brook (that backed up and caused damage to the bridge access to the homes and this home). Most amazing for this group, was the opportunity to fellowship and pray with the owner of the home during our lunch-time.

Our second home provided opportunities to paint the cinder block walls, lay flooring, and add doors. No running water in this home, and the group had to travel to a nearby finished home to use the facilities. This group met the owner and did some evening work, as well as adding additional help to allow the owner to move in sooner. Our third home required much spackling and painting as well as adding a door. We were well fed (snacks, meals and buffet-style lunch assembling).

We explored the area, celebrating a members' birthday at Sonic. Many were thrilled when the Milkshakery across from the church opened midweek to allow sweet delights to be obtained. We were spiritually fed by evening devotions led by mostly our young people. Much laughter and joy was had as members joined in board games and singing. Several members also spent early mornings in the church sanctuary for personal devotions. We rejoice in the blessings of God, keeping the group safe and affording us the opportunity to serve while being spiritually enriched by our fellowship with each other.

Hosted by the District Ministry Commission and the Ephrata Church of the Brethren, ministers from around the District came together at Ephrata Church of the Brethren for a Minister and Families Appreciation Night. About 70 ministers and family members gathered to enjoy dinner from food trucks, conversation with friends, and games.

ANE Receives and Distributes Technology Donation

In April, the Atlantic Northeast District received a generous technology donation from Greg Holsinger, former CEO of U-GRO Learning Centres and former member of Palmyra COB. The donation included more than 60 iPads, over 20 laptops, and various accessories. The donation was open to all congregations within the District. The District Office managed the donation distribution. Nearly thirty congregations benefited from the devices that were available.

Congregations have a variety of ways in which they plan to use the donated devices. Some are using the technology for a welcome center check-in, or to assist with hybrid Sunday School classes. Others are using the devices to control the church's sound board, or stream services. Some pastors and church staff members have used the devices to upgrade their laptops or iPads.

We are grateful to have been the recipient of this practical donation that can help our congregations further their ministries and better serve their communities.
