Speaker

Shawn O'Brien

Shawn is passionate about serving others in the pursuit of an abundant life. In addition to graduating from Penn State with a BS in Finance, he has worked as a fitness coach for over two decades. With co-vocational ministry being a priority in Shawn's life, he continues training while serving in ministry. West Green Tree, Shawn's home congregation, called him to serve in youth ministry where he served for over six years before becoming pastor in 2022. Second only to being a follower of Jesus, Shawn's greatest joy comes from his family, wife, Amanda, and daughter, Noelle. They enjoy spending time being active and at other times doing very little. It is their desire to know Jesus and make Him known and to represent Jesus well to everyone they encounter.
